

New Vendor Information Sheet

Booth rental:

\$3.00 a square foot

+ 10% of sales

+ 3% credit card fee (only if the customer uses a credit card)

Renting a booth also includes an initial 6 month contract. After 6 months, rent is just month to month.

Booth sizes vary throughout the store. Below are a few examples of the typical booth rents (it does not include the percentage of sales).

- Bookshelf space – Approximately \$50 - \$75 per month
- Small – Typically (6ft x 7ft) – Approximately \$135 per month
- Medium – Typically (6ft x 12ft) – Approximately \$235 per month
- Large – Typically (8ft x 12ft) (10ft x 12ft) – Approximately \$300+ per month

Vendors may come in to refresh their booths either during our normal business hours or during our weekly vendor work night. Vendor work nights are held one day a week from 6pm - 8:30pm. At this time, the store is closed and vendors who need to can work in their booths without having to worry about being in a customer's way.

Can't wait for a booth space to become available? Below are some additional options where you do not need to be a vendor in the store in order to participate.

- 2ND Saturday Markets are held at different times of the year. The fee is \$15 for a 10x10 parking lot space to set up. The types of items sold can range anywhere from yard sale items to arts and crafts to repurposed items. Pretty much anything goes!
- Consignment auctions are held at least once a month. Please see the cashier for more details.
