As one of our big events for the year, this Market is a fun event for all ages. We have Christmas Open House inside and Vendors outside set up with all kinds of holiday décor, gift items , vintage items, refinished furniture and so much more.

General Rules:

- **Vendors and all members of their party must park on First Street or at the churches behind the store. Vendors and their helpers are not to park in the DeFrance parking lot. We need to leave this open for customers.**
- Tables, chairs, tents etc. must be provided by the vendor unless rented from DeFrance. Tents are strongly recommended due to the direct sun exposure. Tents will need to be weighted down – it gets quite breezy during the day and you cannot spike the tents into the parking lot.
- Gates will open 2 hours prior to the start time for vendors to set up their spaces. Someone will be outside directing the vendors to their assigned space.
- Gates will close 15 minutes prior to the start time for vendor vehicular traffic. If you arrive late, you will need to walk your items to your space.
- When you arrive, please pull into our east side parking lot, and drive around the back of the building in order to access the west side parking lot (where the event is occurring). This way we won't have any traffic back-up occurring in the road.
- The aisles between the rows of booths are wide enough for two vehicles to pass through. Please make sure that when you pull up to your space that you leave enough room for someone else to drive around you. PLEASE DO NOT PULL INTO ANOTHER VENDOR'S SPOT TO UNLOAD YOUR ITEMS. PLEASE STAY IN THE AISLES.
- If you are planning on bringing a trailer to unload – please arrive early so you can unload it as soon as possible.
- We ask that you please unload everything into your space first and then move your vehicle right away into the designated parking lot. It can get congested so do not set up all of your tables and merchandise before moving your car. UNLOAD, MOVE CAR, SET UP BOOTH.
- Please be courteous and patient during this time as it can get very crowded and hectic with everyone trying to unload at the same time.
- All vendors are expected to stay set up for the entire event. If you have an emergency and need to leave prior to the end of the event you will need to come inside and notify us. You will not be able to bring your car into the vendor area to leave early; you will need to walk your items to your vehicle.
- Vendors are responsible for handling their own sales. We do have an ATM inside the store.
- If any customers purchase larger items from your booth – we will have a few carts available to help bring the items to their vehicles.
- **Cancellation must be made at least 10 days in advance for a refund. If the market is canceled due to inclement weather, the fee will carry over to the next applicable market.**
